

Welcome to BR6 Restaurant

BR6 Restaurant, is a Modern British Bistro that trains and mentors the next generation of chefs and restaurateurs. We make delicious, quintessentially British dishes with a twist.

Our menu changes on a weekly basis and we pride ourselves on using the highest quality seasonal ingredients.

All the food you are served today is prepared fresh onsite by our Hospitality and Catering students, guided by our highly experienced chef training team. We aim to give our students the opportunity to learn every aspect of how a commercial restaurant operates, and to develop the skills they need to pursue a career in the hospitality industry.

BR6 also provide private functions and events facilities. Please ask a member of staff for more information or email br6.bookings@lsec.ac.uk.
